You shall more care for these special following matters. For insufficient items, please refers to CCU course registration laws.

	Notes and relevant regulations	Ask for																					
Study Regulation	<ol style="list-style-type: none"> Some courses require students to take the study course in order, students has to study these courses as the arrangement; only the re-take students could take them simultaneously. For experiments and practicum courses, students shall correct their choice courses first or, they will be refused to study on these courses; excluded language courses. The required courses of one-year length students must take the same course in their 1st and 2nd semester to complete whole course credit as the concept of the curriculum coherence. If students take one-year length course and only attend one semester or fail at any one semester, it will deny the received credit of this course from the graduation credits. Students could have to correct the time-crushed courses. If students fail to correct their course timetable on time, the subject will be graded on "zero." Also, students who did not follow with their chosen courses /classes, the grade will not be recognized, even you attend on each class. Student is not allowed to repeat on studying at the same subjects except to the physical education. 	Registrar Section, Academic Affairs Department #11104~11109

Precautions Elective Physical Education Curriculum

Time	Students will be register Elective and Required courses in the same time by school system, which clearly shown subject name, class time and date.
Procedure	<p>The 1st period :</p> <p>(A) "Freshmen": in the first grade, students are not able to choose elective courses, because students must take required courses.</p> <p>(B) " Sophomore - Senior Students " :</p> <ol style="list-style-type: none"> 1. As School Buletin, all sophomore can take 6 elective courses which students interested in, also can take “sport” courses. 2. Please pay attention, when students chose elective courses to avoid mistakes in the future. 3. If in some semester no elective physical education curriculum, just take freshmen physical education curriculum. <p>Second period:</p> <p>Based on first step above, if have any situations when choose courses in the future, please take choose first then upload it in the school system. In the first and second period, students have to choose one physical / sport course, then based on school bulletin 3 working days after second period (3/6, 3/9, 3/10) (elective courses list) please choose one sport course, (sport courses form) – this form must download by yourself in the school system and also bring yearly transcript to Da Xiao 503 to register.</p>
General principle	<ol style="list-style-type: none"> 1. The credit of sport courses for bachelor students is zero; every semester at least must attend one course. 2. Do not allow to take same courses in different semester, one course just can take once. 3. Especially for students with disabilities, please take elective self-classes, which provide self-teaching complete with general practice. In addition, all the documents will be submitted to the instructor to do special examination. 4. The elective advanced courses should be able to measure the level of individual athletic skills to reach the instructor rating criteria, without the subjects and foundation or self-assessment. 5. The elective sport courses recommended that the courses completed by primary prerequisite courses before elective advanced courses in the first and second period finish. No special reason are not allowed on it. 6. Office of Academic Affairs (U PRO) opened "badminton" elective courses (2 credits per semester); badminton credit can't change to other courses credit.

<p>Weight (s) Revised Principles</p>	<ol style="list-style-type: none"> 1. Freshmen should take a whole year curriculum, and if you are not pass in first semester, then you have to take that course again in the next semester. 2. Fail at Physical Education curriculum, students may retake within further any semester, not limited to the original subjects. The retake is 1 extra for only. 3. Students who did not take Physical Education curriculum in their 2nd/3rd grade year have to take these 2 in their 4th year and not allow to take 2 subjects of physical education curriculum in in their 3rd grade year at same time. 4. The max of physical education curriculum to the senior students (4th grade-year and extension student) is 2 subjects each semester. 5. To add the extra physical education curriculum should be operate in the 2nd period. Please bring "course list" (subject to completion of a selected physical education),"PE add/delete application form" and "transcript" to visit us. Room 503, Department of Physical Education office, Da Xiao Building Vacancies will appear on the line.
<p>Class venue fees</p>	<ol style="list-style-type: none"> 1. Besides the "Bowling" course, the rest of physical education curriculum happens in Yangmingshan Campus. The class places will be updated in 2 days before the school open. It will announce on the school website home page, sports room website, great filial piety, gymnasium entrance hall and righteous. 2. Bowling Place: Yuan Shan Bowling Hall (Zhongshan North Road, No. 6, paragraph 5, Taipei City TEL: 02-2881-2277). 1st week meeting point: in front of the gymnasium (2nd floor entry) 3. The number of "Bowling" lessons need to charge. 4. To attend a "Swimming and Stand up paddle boarding and core exercise" class, students shall pay for the "pool grounds maintenance fee" NTD 800. "Freshman physical education curriculum" includes 5 weeks swimming lessons and students need to pay for the "pool grounds maintenance fee" NTD 600. If you pay for it, you can use the pool from 5 pm to 10pm during Monday through Friday and 8a.m. to 5p.m. on weekend and holidays (Please show your student ID). Must wear personal gears (caps, swimsuits, goggles). No the beach pants and white swimming trunks to males. No bikinis or white swimsuits. 5. The class ask the prepare personal equipment: "Judo", "badminton", "table tennis", "tennis", "skating", etc. 6. Anyone have the following health conditions is banned to attend "swimming and Stand up paddle boarding and core exercise class": (A) Suffering from infectious diseases such as sexually transmitted diseases, tuberculosis, skin diseases and eye diseases, such as the short-term can not be cured. (B) Prescribed by a doctor who can not swim, such as heart disease, epilepsy, severe asthma, hypertension, physical trauma.
<p>physical condition</p>	<p>New students who can not attend the Freshman physical education curriculum due to the above condition are expected to pay first. Also, presented to the classroom teachers the certificate from the public hospitals. After this apply to the refund step, the swimming class teacher will carry your transfer to the other physical education class.</p>
<p>Other</p>	<ol style="list-style-type: none"> 1. Any more questions, please visit Room 503, Department of Physical Education office, Da Xiao Building 2. The updates will be announced.
